

NIAGARA ERIE YOUTH SPORTS ASSOCIATION

FRANCHISE APPLICATION

This Association is designed to encourage athletic endeavors in the youth of Western New York, as well as to promote the physical, moral and mental development of children by providing the means through which each individual child can receive education and instruction in football, cheerleading and other sports. The purpose of this program is to develop a sense of fair play, honest and fair competition and true sportsmanship, with no discrimination toward race, creed, color or gender. This Association supports the principle of sports for each interested and eligible child. This Association does not advocate tryouts that promote the idea of offering the sport to only those more gifted children in the community. This Association encourages it's members to continually strive to increase the membership and finances of each member organization so that every interested and eligible child has the opportunity to participate with the Association.

Admittance

Pursuant to Article 4 section 3 of the Niagara Erie Youth Sports Association Constitution and By-Laws, organizations seeking admittance into NEYSA are required to submit this franchise application.
